Tip

Keep an eye on the calendar to plan ahead! You can see the full season at a glance and never miss an outing.

5. Leaderboard 🏆

The Leaderboard is where the magic happens during an event! 🔥 As scores are entered, you can follow along in real time.

What you'll see:

- Player rankings based on Stableford points
- Live scores updating as they're entered by the admin
- Front 9 and Back 9 standings — separate leaderboards for each half
- Overall standings with running totals
- Points for each hole (when scores have been entered)

During an Event
While an outing is in progress, the leaderboard updates as the admin enters scores. You can check in throughout the day to see how everyone is doing.

The leaderboard shows three views:

- Overall — Total Stableford points for all 18 holes
- Front 9 — Points for holes 1-9 only
- Back 9 — Points for holes 10-18 only

Note

Scores are entered by the event admin, so there may be a slight delay between a player finishing a hole and the score appearing on the leaderboard.

6. Golfer of the Year (GOTY) 🏆

The Golfer of the Year — also known as the Order of Merit (OOM) — is the big one! This is the season-long competition that crowns the society's best golfer.

What you'll see:

- Current GOTY standings with all players ranked
- Points from each outing shown in columns
- Running totals updated after each event
- Best 6 of 8 scores highlighted

How It Works

Scoring	Your Stableford points from each outing count towards GOTY
Best Scores	Your best 6 scores out of 8 outings count
Ranking	Players are ranked by total points from their best 6 rounds
No Deductions	GOTY uses raw Stableford points — deductions don't apply here

The GOTY standings update automatically after each event is finalised. Check back regularly to see where you stand in the race! 📈

7. Results 📄

After each outing is completed and published, you can view the full results including prizes, side competitions, and complete scorecards.

What you'll see:

- Prize winners — 1st, 2nd, 3rd place

- ★ Front 9 and Back 9 winners
- 🎯 Side competition results (Nearest the Pin, Longest Drive, Twos Club)
- 📊 Full scorecard with every player's hole-by-hole scores and Stableford points
- 📄 Deductions applied to each player's score

Viewing Results

To view results for any outing:

1. Go to the Calendar page
2. Click on a completed event (marked with a  status)
3. You'll see the results page with tabs for Scores, Prizes, and Side Competitions

Understanding Prizes

Prizes are awarded based on your Stableford score after deductions are applied. The Prizes tab shows who won and how deductions affected the final standings.

8. Deductions

Deductions are a key part of how the society keeps things competitive and fair. If you've been winning, you'll have shots deducted from your score in future events!

What Are Deductions?

Deductions are a society rule designed to level the playing field. When you win a prize, you get shots deducted from your Stableford score in the next event. Think of it as a penalty for being too good! 😊

How They Work

🏆 1st Place	-3 shots from next event
🥈 2nd Place	-2 shots from next event
🥉 3rd Place	-2 shots from next event
★ Front 9 / Back 9	-1 shot from next event
Played, no prize	+1 shot earned back

Reading the Deductions Sheet

The deductions sheet shows each player's running total of deductions. You'll see:

Your starting deductions for the year

Changes from each outing (wins add deductions, playing earns one back)

Your current deduction total

Important

Deductions only affect the overall prize rankings. They do NOT apply to Front 9/Back 9 prizes or GOTY standings. So your Golfer of the Year score is always your pure Stableford total!
